## COMPRESSED CLEANING FOAMS FOR VARIOUS SURFACES

Foams perfectly remove all kinds of dirt – even the most difficult ones. Thanks to unique composition and compressed formula they expand their volume right after dosage. It allows not only for effective but also efficient use. In addition, the foam does not flow down from the vertical surfaces, which facilitates cleaning. The products do not leave streaks and stains and they are characterized by very pleasant scents. The product line consists of foams for cleaning:

- classic furniture
- multisurface
- windows and glass
- fireplace, oven and grill
- bathroom
- carpet and upholstery
- kitchen
